

CALL FOR ABSTRACTS

The Faculty of Education of the University of Pristina, through the Institute for Research and Development in Education (IZHHA), invites all educators, teachers and other education professionals to apply with abstracts to the fourth annual Kosovo Conference on Educational Research - KICER 2024.

AIM OF THE CONFERENCE

The aim of KICER 2024 is to bring educational researchers together on a common platform for two consecutive days where it will be possible to promote the development of research in education, exchange ideas and debate on key aspects of changes in education, including aspects of implementation of the new curricula, the integration of technology in teaching and changes in educational policies.

TOPICS

KICER 2024 offers several relevant topics related to the latest developments in education, such as:

- What are good models of implementing changes in the practices of educators and teachers in education and learning?
- What are examples, models and good practices of implementing the competency-based curriculum?
- What are the good practices of subject integration, interdisciplinarity and technology integration in order to increase the quality of learning?
- What are good models of the organizational approach and managerial practices in function of the implementation of educational policies and reforms?

IMPORTANT DATES

- Abstract submission deadline: April 10, 2024
- Abstract acceptance notice: April 15 - 25, 2024
- Conference dates: June 27-28, 2024

CONFERENCE FORMAT

KICER 2024 is prepared as a hybrid conference

- Online (for international participants)
- Face to face (for national participants)

TYPES OF PRESENTATIONS:
